

Catholic Mutual
Be Smart—Drive Safe

Participation Instructions:

- Your internet browser must be currently updated. (If you are unsure, please see the last pages of this file for supported browsers.)
- Go to www.CatholicMutual.org
- Click on the box that says : “Defensive Driving Catholic Mutual Group Cares”
- Enter your unique username and password—not the diocesan codes. If this is the first time you have taken an online class with Catholic Mutual, go to the “Need an account?” and click on “Register Here”. For the “Username” please use your first initial and full last name so that you are easily identifiable as having completed the course. Example: CHowell. The password can be anything unique and for your use only. Follow that prompts that will identify you as being in the Lexington Diocese and a volunteer or employee of Good Shepherd Church, Frankfort. After you have completed your registration, enter your username and password in the top-right-hand box.
- Select “CM Be Smart Drive Safe (HTML 5)”
- The video and quiz at the end take approximately 20 minutes. If you must end the video before it is complete, you will have to completely re-watch it when you try again. Be advised, there is a visual clue to an answer in the quiz that the speaker does not talk about—*you must actually watch the video to know how to answer the question!*
- Following the quiz, the screen will tell you if you have successfully completed the program. When you close the video box you will see that your account has been updated.
